### *Please keep the catechists, the students, and Miss Patty in your prayers as the 2022/2023 Religious Education year starts this week.*

Blessed are you, Lord God, Creator of body and mind and heart;

you have sent the Spirit of wisdom and knowledge to guide your people in all their ways.

At the beginning of this new Religious Education year, we implore your mercy: bless the students, catechists, and Miss Patty., that together they may grow in faith, hope, and love as they learn from you and each other how to follow your Son Jesus.

Expand the horizons of their minds, that they may grow in wisdom, understanding, and knowledge; deepen their commitment to seek the truth of your ways; and enliven their faith to reach out to those in need.

Glory and praise to you, Lord God, in the Church and in Christ Jesus forever and ever.

Amen

### Thanksgiving Food Basket Program

Time is certainly going fast these days...Thanksgiving is just around the corner! Our outreach ministry is expecting a large number of families in need this holiday season. If you like to adopt a family for Thanksgiving, please call (631-473-2900) or email Jennifer at [Jennifer@stgmajella.org](mailto:Jennifer@stgmajella.org). What does adopting a family entail? Based on the family size, you would supply all of the items that they would need to cook a Thanksgiving dinner (stuffing mix, cranberry sauce, canned vegetables, potatoes, a gift card for a turkey, etc.) If you are unable to adopt a whole family, we will also have our annual Thanksgiving food drive, where you can donate an item or two. Details will be posted in future bulletins. We are grateful for all your support throughout the year! If you know of anyone in need of Thanksgiving help, please reach out to us.

# Breaking Open the Word

**Reflecting on next Sunday's Gospel before you come to Mass can bring so much more meaning to your experience of the Liturgy. Here's the Gospel for next Sunday. How does this Gospel touch your life?**

**October 9, 2022**

**Twenty-Eighth Sunday in Ordinary Time**

**Lk 17:11-19**

As Jesus continued his journey to Jerusalem, he traveled through Samaria and Galilee. As he was entering a village, ten lepers met him. They stood at a distance from him and raised their voices, saying, "Jesus, Master! Have pity on us!" And when he saw them, he said, "Go show yourselves to the priests." As they were going they were cleansed. And one of them, realizing he had been healed, returned, glorifying God in a loud voice; and he fell at the feet of Jesus and thanked him. He was a Samaritan.

Jesus said in reply, "Ten were cleansed, were they not? Where are the other nine? Has none but this foreigner returned to give thanks to God?" Then he said to him, "Stand up and go; your faith has saved you."

## Reflection Questions

- Being a leper was very lonely because they could no longer live with their families. What did Jesus say to them?
- Why didn't the other 9 turn back to thank Jesus?
- Do we sometimes forget to thank people when they help us?
- Do you remember to thank God when He helps you? Why is it important to give thanks to God?
- For what things are you grateful?

### **Usher Ministry**

## **Act Now!** **Tell the Federal Government to** **Do No Harm to Catholic Health Care Ministries**

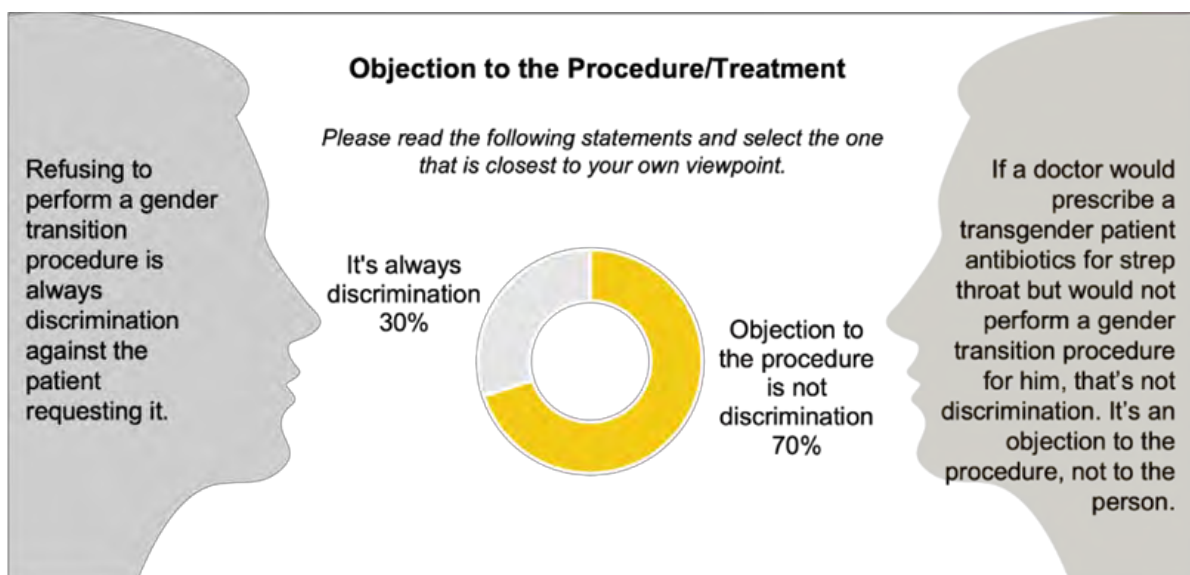

The Church's ministries of healing, education, and social services bear witness to Jesus Christ and build up the common good. Church institutions are not mere providers of social services. They are expressions of Christian ministry dedicated to human flourishing. We serve all people, without regard to race, sex, religion, or any other status, because God has imbued every person with inherent human dignity. Most Americans understand that mission-driven organizations should be free to operate in accordance with their missions. But a recent rule proposed by the U.S. Department of Health and Human Services (HHS) would prevent Catholic hospitals, clinics, assisted living facilities, and health care workers from carrying out their work. **HHS needs to hear your opinion by October 3rd!** Visit [www.usccb.org/do-no-harm](http://www.usccb.org/do-no-harm) to learn more.

### **New Unjust Mandates from HHS**

The HHS rule implements the **nondiscrimination** provision of the Affordable Care Act, Section 1557. It protects people from discrimination on the basis of their sex in health care. But HHS interprets Section 1557 to impose new mandates about gender identity. According to the new rule, it would be considered discrimination for a health care worker or Catholic hospital to object outright to performing gender transition procedures, regardless of whether that objection is a matter of religious belief or clinical judgment. The proposed rule also suggests that the government may refuse to honor the right of health care workers and providers not to perform or participate in abortions. The proposed HHS Section 1557 rule could function as both an **abortion mandate** and a **gender transition procedure mandate**.

### **Objection to gender transition is not discrimination.**

All people should be treated in accordance with their God-given dignity, and no individual should be denied health care because of his or her sex. Most people understand that when medical professionals determine gender transition procedures—such as the administration of puberty blocking drugs or surgery to remove healthy body parts—to be harmful, they are making clinical judgments, not discriminating against persons. A study commissioned by the USCCB found that 70% of registered voters recognized that objection to the procedure is not discrimination.

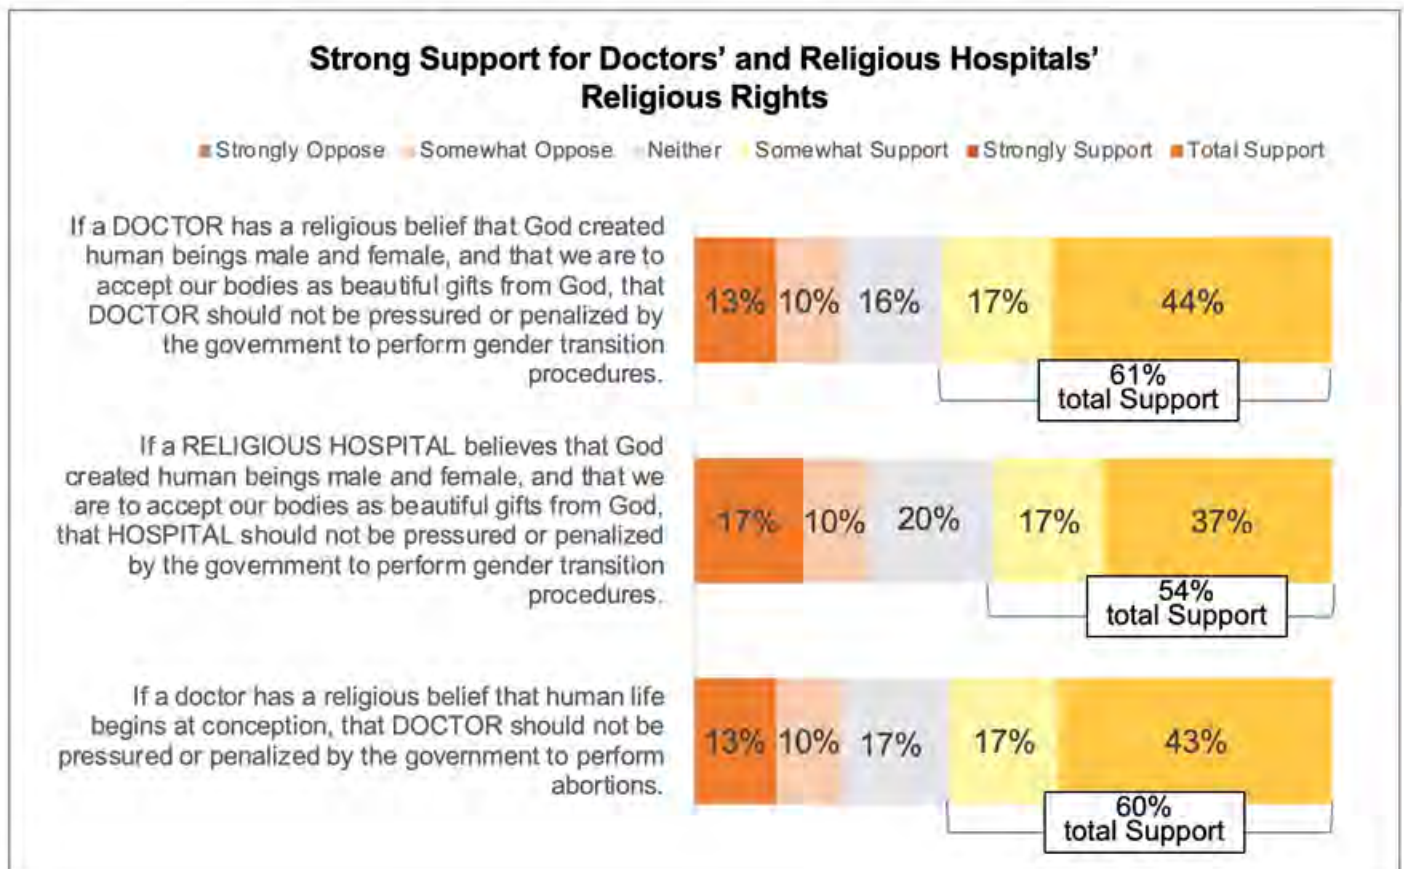

## No protections for health care workers to oppose abortion and gender transition procedures.

Although the proposed regulations say that HHS will consider whether conscience and religious freedom laws apply, the regulations offer no assurance that HHS will ever agree that anyone has the right to follow their beliefs or convictions. In fact, HHS is currently fighting court rulings that hold that HHS violated religious freedom laws the last time they tried to impose this mandate.

## Health care workers and religious facilities must be free to conscientiously object to these procedures.

Pope Francis has frequently defended the rights of medical professionals to conscientiously object to harmful procedures. Most people agree with the Church on this issue.

## Take action!

The United States Conference of Catholic Bishops is vigorously opposing the provisions in the rule that do harm to life and religious liberty. All Catholics and people of good will can help. Visit [www.usccb.org/do-no-harm](http://www.usccb.org/do-no-harm) to learn more about this and other harmful regulations, and find out how you can take action to let the government know you oppose them.
