Fourth Sunday in Ordinary Time

DIOCESE OF ROCKVILLE CENTRE
OFFICE OF THE BISHOP

January 28, 2024
Catholic Schools Week

Dear Brothers and Sisters in Christ,

Each year, the Church throughout the United States takes the opportunity to celebrate the gift of Catholic Education during Catholic Schools Week which begins today and concludes on February 3, 2024. As Bishop of the Diocese of Rockville Centre, I want to express how incredibly proud I am of our Catholic Schools in the ways that they evangelize our young Catholics here on Long Island.

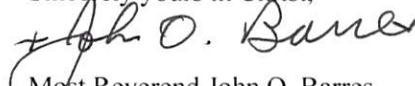

In his Apostolic Exhortation, *The Joy of the Gospel*, Pope Francis says, “Catholic schools, which always strive to join their work of education with the explicit proclamation of the Gospel, are a most valuable resource for the evangelization of culture” (§134). This mission-driven approach to Catholic Education is especially fitting as the Church in the United States participates in a national Eucharistic Revival, because the mission of the national Eucharistic Revival is embedded into the mission of Catholic Education. Assisting students to know and love Jesus through the transformative power of the Mass, and equipping them to evangelize their families and communities, is an extraordinarily beautiful and achievable goal that our Catholic Schools strive to achieve each day.

As schools throughout the Diocese celebrate Catholic Schools Week 2024 with Masses, open houses, and other various activities, we give thanks to the Lord for those who make these events and Catholic Education as a whole possible. To the dedicated and faithful administrators, teachers, and staff members: thank you for working tirelessly every day to advance the Church’s evangelizing mission by your love for Christ and by helping his children to know the presence and power of his love in their lives. To the many parents and guardians who generously offer so much time to assist your pastors and principals in advancing the mission of Catholic Education in your parish and regional schools: your love for Christ and his Church is inspiring, and I am so grateful for your Good Samaritan charity, dedication, and perseverance. In addition, I want to express my gratitude to the Morning Star Initiative and the Department of Education staff who collaborate and work together to provide every student in our Catholic Schools with an education that is robustly Catholic, academically excellent, safe and supportive, and sustainable.

St. John Bosco, a patron saint of school children, understood the essential mission of Catholic Education in the world. He once said, “If we want to have a good society, we must concentrate all our forces on the Christian education of the young.” Because of the fantastic work being accomplished in our Catholic Schools, I think we can have great hope in the future of society here on Long Island: a future that is filled with young Catholics who are on fire for Jesus Christ and his Church!

Through the intercession of Saint Elizabeth Ann Seton, the patron saint of Catholic Education, Saint John Bosco, and Mary, Star of Evangelization, may the Lord continue to bless the Morning Star Initiative, the Department of Education, our Catholic Schools, and all those involved in Catholic Education on Long Island, especially our students!

Sincerely yours in Christ,

Most Reverend John O. Barres
Bishop of Rockville Centre

“Be diligent in serving the poor. Love the poor, honor them as you would Christ himself.”

**You only have one heart.
Getting your coronary
calcium score scan can
save your life.**

Free cardiac screening

A coronary calcium score is like a “mammogram” for the heart to screen for heart artery blockage. This simple, non-invasive test can indicate coronary artery disease before the onset of symptoms or heart attacks. The scan does not require IV or CT contrast.

Calcium in the heart arteries is a representation of the effects of cholesterol that has built up over decades. Upon completion, your test results will be evaluated by Jyoti Ganguly, MD, Chief of Cardiology at St. Charles Hospital and then shared with you and your doctor. If you do not have a primary care physician, we can assist you with that referral.

Breaking Open the Word

Reflecting on next Sunday's Gospel before you come to Mass can bring so much more meaning to your experience of the Liturgy. Here's the Gospel for next Sunday. How does this Gospel touch your life?

February 4, 2024

Fifth Sunday in Ordinary Time

Mk 1:29-39

On leaving the synagogue Jesus entered the house of Simon and Andrew with James and John. Simon's mother-in-law lay sick with a fever. They immediately told him about her. He approached, grasped her hand, and helped her up. Then the fever left her and she waited on them.

When it was evening, after sunset, they brought to him all who were ill or possessed by demons. The whole town was gathered at the door. He cured many who were sick with various diseases, and he drove out many demons, not permitting them to speak because they knew him.

Rising very early before dawn, he left and went off to a deserted place, where he prayed. Simon and those who were with him pursued him and on finding him said, "Everyone is looking for you." He told them, "Let us go on to the nearby villages that I may preach there also. For this purpose have I come." So he went into their synagogues, preaching and driving out demons throughout the whole of Galilee.

Reflection Questions

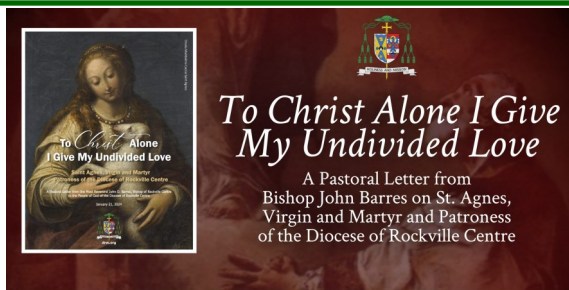

- Why was prayer helpful to Jesus? Why do you think Jesus sought solitude for some of his moments of prayer?
- What did Simon's mother-in-law do after Jesus healed her?
- How do you think Peter's mother-in-law was able to overcome her selfish desires and put others first?
- How do you see examples of witnessing to Christ's love in the world working to extinguish the evil and brokenness we find in our world?
- Ask God this week to bless your times of prayer so that you can know and follow God's ways.

Weekly Memorials Available

Would you like to have a loved one remembered? Give thanks for one of God's many Graces? Or offer up a prayer for someone in need? Please consider a Weekly Memorial. These are Memorials that are dedicated for an entire week, running from Monday to Sunday. Memorials are listed each week in the parish bulletin. Please contact our parish office to reserve a memorial for your intention. Memorials are available for:

Catholic Fasting Rules for Ash Wednesday and Lenten Fridays

Catholics age 14 and older do not eat meat on Ash Wednesday and all Fridays during Lent, including Good Friday. Instead of meat many Catholics choose to eat fish - which is why many parishes around the country have fish fries on Fridays during Lent. These are a great opportunity for a parish community to come together to pray and fast. On Ash Wednesday and Good Friday, Catholics age 18 to 59 also limit the amount of food they eat.

Only one full meal, and two smaller meals that together do not equal a full meal, are eaten. The best rule of thumb is to make sure your meals are smaller than what you would eat on a normal day - and to avoid snacks. Exemption is allowed for pregnant women and those who need regular meals for medical reasons. You may have heard the words "fasting" and "abstinence" used when talking about Lent. "Fasting" is the word used when the amount of food eaten is limited. "Abstinence" is when you completely give something up, like meat, for a set period of time. Both "fasting" and "abstinence" play a role during Lent.

The Four Gospels Course

Presented by Deacon Frank Dell'Aglio

*4 Evenings - 7pm-8:45pm at the Lower Church Room at Infant Jesus Church * (Classes will be recorded in case you cannot make in person)*

Monday, Feb. 12th, Monday Feb. 19th,

Monday, Mar. 11th, Monday, Mar. 18th

"The Old Testament foretold that which was fulfilled in the New Testament."

This course will in part be geared to linking up these two Testaments together, but knowledge of the Old Testament is not a prerequisite to this course.

Come and deepen your faith!

Testimonials from the previous Four Gospels course participants:

"It brought the life of Jesus particularly the "Passion" into reality. Sometimes being so close to something keeps it more of a story in your life but from this perspective I received an entirely new feeling about Jesus and how he suffered for us."

"The course not only provided me with facts about the Gospels but impacted me spiritually. I feel the spiritual effect was definitely more profound and has caused me to think about how I can live more faithfully."

"I gained a better understanding of the connection between the Old and New testaments. I gained a better understanding of the origin and purpose of the church."
